INDEPENDENT AUDITOR'S REVIEW REPORT

To: The shareholders Abdullah Saad Mohammed Abo Moati For Bookstores Company (Saudi Joint Stock Company)

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Abdullah Saad Mohammed Abo Moati For Bookstores Company, a Saudi Joint Stock Company (the "Company") and its subsidiary (collectively referred to as the "Group") as at 31 December 2023 and the interim condensed consolidated statements of profit or loss and other comprehensive income, Interim condensed consolidated statement of changes in equity and Interim condensed consolidated statement of cash flows for the three-month and nine-month periods then ended, and other explanatory notes. Management is responsible for the preparation and fair presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard (34), "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements (2410), "Review of interim financial information performed by the independent auditor of the entity", as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, as endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared in all material respects, in accordance with International Accounting Standard (34) "Interim Financial Reporting", as endorsed in the Kingdom of Saudi Arabia.

Level 1: Quoted market prices in active markets for identical assets.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.
